Dear Families,

Last week I interviewed for the post of a Learning Support and PE Intervention Support. I am delighted to be able to tell you that I have appointed Mr Josh Byrd. He will be based in Bedruthan Class and begins on Monday 23rd January. There will be a formal handover from Mr Chinn and Mrs Medlin will lead the induction. I know he is very much looking forward to immersing himself in the life of the school, becoming part of the team and meeting with parents. He is very enthusiastic, sporty and I think will be very popular with the children.

The **Courtesy Cup** was awarded to Jago and Amy from Morgawr; both children have shown great thoughtfulness!

Jack, Imogen and Isabelle joined me on the **Captain's table** two weeks ago. Thank you for continued lovely manners in the dining room at lunchtime.

Fruit of the week this for this week: **Kiwi**

Healthy Schools

Lunchbox of the week award last week went to Jamie Goss. Well done Jamie for all your healthy choices.

School Council

During the meeting last Tuesday the School Council discussed ways of further promoting healthy snacks. We made 'Naked' bars and the staff sampled them and thought they were amazing. We are currently discussing how we might make and sell such snacks. Of course we would not be looking to profit, simply cover costs. The School Council has purchased a rather posh blender. We simply looked at the ingredients on the wrapper of the **cashew and date Naked bar** and replicated it. If you would like to have a go here is what you do:

1. Using a food processor blend 200g dates with 200g cashews until they form a solid ball.
2. Press the mixture very firmly into a small square or rectangular tin.
3. Place in fridge and chill for at least 3 hours.
4. Slice and enjoy.

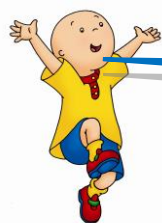

The School Council is to shortly receive £600. The plan is to purchase a portable cooker and equipment.
