Dear Families,

I received these photos from Miss Wright yesterday. They show the books donated by Oxford University Press in the library of the school at **Oinofyta Refugee camp**. Our School Council wrote a letter to the company asking for the donation – so credit to them for writing such a persuasive letter. Another picture shows the library itself and finally some children reading the books. It's lovely to see that the efforts of the School Council are having such a positive impact on the lives of these young children.

The **Courtesy Cup** was awarded to Max Monk. Well done Max for always being so polite.

The following children joined me on the Captain's Table: Eliza, Joshua, Maya, Charlie P and the following week: Max, Lily T, Aidan K and Samantha. Delightful and amusing conversation as ever.

Well done Amelie K for your cross country achievements – great stamina – well done!

Healthy Schools

Lunchbox of the week award went to Millie W. She walked away with a lovely big pineapple!

Reminder – Bring your pennies and wear something funny for money on Friday!
